HiHo 1000 DRS Vape Detector

£299.99 Plus VAT

- .Vape Detection real time monitoring providing Immediate alerts when vaping is detected
- .Adjustable sensitivity and alarm thresholds to suit all environments
- .Mobile smart app that allows the device to be managed remotely
- .Incorporates a laser scattering PM2.5 sensor
- .Can be used in all locations where vaping is prohibited
- .Vandal resistant and tamper-Proof
- .Easy Installation
- .2 Year Warranty

Technical specification

Dimensions	90mm x 90mm x 26mm (without bracket)
Power Supply	DC5-12V+backup rechargeablec lithium battery Mains powered 220/240V (plug supplied)
Sensors	PM2.5 Laser Scattering (optional: temperature and humidity)
PM2.5 Detection Range	0-999 µg/m³
PM2.5 Response Time	≤10s
Connectivity	WiFi 2.4GHz
APP Control	TUYA APP
Working Temperature	-10˚C~+55˚C
Working Humidity	≤95%RH (non-condensing)
Installation Positions	Wall or Ceiling Mounting
Warranty	2 years

Support TUYA APP
